FACTS ABOUT BAYLOR

Judge Abner V. McCall
President

Baylor University, Texas' oldest university in continuous existence, enters its 128th year of service to higher education. The university was founded in 1845 at Independence, Texas, under a charter granted by the Republic of Texas. It was moved to Waco in 1886.

Although Baylor has students of more than 30 denominations, including Catholics, Episcopalians, Methodists, and Presbyterians, the majority of its students are Baptists. Baylor facilities and all activities, including athletics, were racially integrated several years ago.

The university was named after Judge Robert Emmet Bledsoe Baylor, supreme court justice of the Republic of Texas, a Kentucky native who was a veteran of the War of 1812 and member of the Kentucky legislature before moving to Texas.

Co-founders with Judge Baylor were Rev. James E. Huckins, native of New Hampshire, who became principal of the first public school to be opened in Texas at Galveston, and Rev. William M. Tryon, native of New York City, who became chaplain of the Congress of the Republic of Texas.

The Baylor-Waco Foundation has provided significant financial aid for Baylor, and Urban Renewal has added to campus area and room for needed growth. Baylor has added over \$16 million in new buildings and facilities in a decade.

Moody Memorial Library, Sid Richardson Science Building, Marrs McLean Science Building, Hankamer School of Business Building, Russell Hall Dormitory for Women, Penland Hall Dormitory for Men and the Book Store Building are among the newer buildings recently completed.

Waco, city of 113,000, is situated near the geographical center of Texas. Huge new Lake Waco, completed and filled six years ago, has added to Waco and Baylor growth with greatly increased water supply.

In addition to the main campus in Waco, Baylor University also includes a College of Dentistry in Dallas and the Baylor-Army Hospital Administration Program at Fort Sam Houston in San Antonio. The Waco campus includes College of Arts and Science, Schools of Business, Law, Education, Music, Religion and Nursing. The Graduate School has branches on all three campuses.

There is a strong unit of the Air Force ROTC, training young officers for the service, active since World War II days.

Basketball is played in 9,700-seat Heart O' Texas Coliseum, where parking also is more than ample. Baseball is played in 5,000-seat Dutton Park; tennis on new concrete courts on campus; track meets are in the 5,200-seat track stadium with eight-lane quarter-mile red cinder track; and the golf team plays at Ridgewood Country Club.

THE OUTLOOK... GREEN AND GO

If Grant Teaff's spring training game plan was any indication of the things to come this fall, Baylor opponents had better be sharpening up their barrage balloons . . . 'cause the Bears will come out flinging the football from their Slot I formation.

Teaff, a self-proclaimed "ground oriented" coach, saw the Greens and Whites take to the air 60 times in the spring finale, with 24 completions for 562 yards and three touchdowns. Compare this to the ENTIRE 1971 season when Baylor completed only 32 of 154 passes for 551 yards and two markers.

Of course, Teaff knows in the rugged Southwest Conference you've got to mix it up, but observers in the spring game also noted that his equally-divided offensive units cranked out a combined 337 yards on the ground. The opposition wasn't exactly Georgia, or Missouri, or Oklahoma State, or Miami . . . or Southwest Conference foes . . . but 899 yards for one night's work was a pleasant surprise to the 12,000 excited fans on hand for the contest.

The positive-thinking Teaff knows he's still got plenty of problems going into fall drills, the biggest being the offensive line which was wiped out by graduation. But, among the 14 super-size junior college signees are a host of potential centers, guards and tackles . . . and they've been battle tested in the best Juco leagues in the country.

"The people we have there (on the front offensive line) have made vast improvements, but after a month of work, we're still where most people were even before spring training began. And, we have less size and experience than any other conference school," Teaff said.

Teaff had a lot to smile about in spring training. His two sophomore quarterbacks, Neal Jeffrey of Overland Park, Kan., and Robert Armstrong of Houston, showed him some potential, the running backs hit the holes with determination and finesse and the Roger Goree-led defensive platoon looked sound.

"I believe we're going to have quality and depth at running back. We're going to have some ability and depth at quarterback. And, we're going to have a good first team defense. But, we're woefully lacking in depth . . . almost all over."

Jeffrey, voted the outstanding offensive performer in spring training by his teammates, draws raves from the new head coach. "I think Jeff could be an unusual sophomore," Teaff proclaimed. "He's beginning to run the option well and his play execution and faking are very good." Teaff also pointed out that junior letterman Randy Cavender of Dallas had a good spring and "right now, I'd say he's a good SWC quarterback." And, Teaff noted that Robert Armstrong can't be counted out of the race. "He finished up real strong."

In the spring game Jeffrey hit seven of 14 attempts for 175 yards and two touchdowns, Armstrong connected on 11 of 27 for 140 yards, Cavender hit four of 14 for 88 yards and one marker and backup soph Jerry Jameson went two of five for 59 yards.

Senior lettermen Godfrey White of Corpus Christi and Wayne Prescher of Clifton, both JC grads, were the run-

ning stars of the spring game. White had 79 yards on 21 trips with Prescher bulling for 81 on 14. Gene Wilson of Amarillo backed up White with 55 yards and Marcus Rogers of Waco aided Prescher on the Green unit with 45 yards.

Teaff said he was well pleased with White at tailback. "He's quality. He has speed (4.5) and good moves. Marcus Rogers and Billy Wilson of Houston have been two of our most pleasant surprises. Wilson has put some moves on people. And, what pleased me so much is that he's running tougher and holding onto the football. Rogers has good size and is getting tougher and we might take a look at him at fullback this fall."

Responsible for a lot of the spring passing upsurge is a fine corps of receivers. At split end Charlie Dancer, a willowy 4.5 Navarro JC transfer from Mexia, has tremendous potential. Also making waves were sophs Lloyd Kitchens of San Antonio, Karl Ray of Beaumont and Jeff Haas of Houston while wingbacks Brian Kilgore and Robert Weygandt, both of Houston, showed up well, both as receivers and as hard-nosed ball carriers. At tight end Kenny Townsend of Tyler returns as a starter and has good competition from Rusty Bundy of Hull-Daisetta.

Returning offensive forward wall starter is guard David Walters, 6-3, 234-pound two-year letterman from Longview who may get a look at tackle. In the spring, Lee Wright of Emporia, Kan. and Larry Denton of Borger were in first team tackle positions and a couple of freshman mid-termers, Jon Royal of Houston and Scott Davis of Houston had the railbirds amazed as they made the transition into college ball and contended for top honors.

At center Cary Dorman of Fort Worth has been a pleasant surprise, but doesn't have quickness. Harold Rodgers of Houston showed well at both guard and center, but is handicapped by lack of size. "In his case you're sending a young man of about 205 up against defensive linemen who are 265 pounders," Teaff pointed out. Another drawing good notice was Dan Stout, who sat out last season but started coming along this spring.

"We hope, of course, that the junior college people who are coming in this fall can help us. But, looking at it realistically, our offensive line is likely to be only average . . . and your offense can only be as good as your offensive line."

Teaff says that the overall defense should be good . . . "and it could be real good."

Leading the headhunters is red-headed All-Conference and All-America nominee Roger Goree of Baton Rouge, La. Voted by the other players in the league as the defensive player of the year last year, Goree gets maximum mileage out of a frame more adapted to running backs (6-2, 202). "Goree is an outstanding football player in every way," Teaff proclaims. Mike Black of Houston at the other end is coming fast. Tackle Coy Zunker of San Antonio is like Black, very tough, but needs polishing. Richard Mason of Amarillo is very strong at tackle and his movements will surprise a lot of folks. But, the biggest and most pleasant surprise of the spring was tackle Joe Johnson, a soph-to-be from Bryan. The 6-0, 226-pounder who tied Goree in the players' poll as the outstanding defensive player of the

spring, had a terrific spring and, according to Teaff, "is a holy terror. If he continues to improve, he'll be one of the top sophs in the league next fall."

Waiting in the wings to don the Green and Gold is Tyler JC's heralded All-America defensive guard, Millard Neely, 6-2, 260 from San Antonio, who runs the 40 under five flat. "If he comes in here and plays like we think he can, we'll move some of our defensive down linemen (probably Mason) to the offense to add strength there."

The defensive secondary appears solid despite the loss of Phil Beall to professional baseball and the graduation of the veteran Willie Stewart. Back are Tommy Stewart of Odessa, Ira Dean of Houston (who could be one of the best in the conference) and the small, but rugged, Ricky Duff of Dallas. A fast-coming soph, Tommy Turnipseede of Beeville, will contest for a starting berth, also.

Waiting in the wings are the other junior college stars headed by All-America running back Gary Lacy of Wharton Junior College, the most valuable offensive player in the Texas Junior College league last season. Others include defensive All-America back Don Drake of Ranger Junior College who looked good in spring training; Bruce Neely, an all-conference performer in his own right at Tyler JC; all-conference running back Ray Harper of Tyler who boasts 4.4 speed; offensive lineman Mike Harper of Tyler, 6-5 and 245; Ronnie Martin, linebacker from Wharton JC, 6-3, 225; and linebacker Harry Pfeffer, 5-11, 230, of Blinn JC; defensive back Keith Stone of Wharton, 6-3, 185; defensive tackle Doug Dillard, 6-3, 255 from Blinn JC; Ken Young, 6-5, 255 tackle from New Mexico Military Institute, and Andy Hammond, 6-3, 220, defensive tackle from Henderson JC.

Teaff, who accepted the Baylor job on December 23 and immediately set out to join in the hectic recruiting chase, is a positive thinker who oozes optimism to players and fans alike.

"I think we have a terrific opportunity to excel at Baylor University," he said. "Baylor University is unique unto itself. Our facilities have been upgraded (Astroturf, dressed up athletic dining hall, improved offices, new letterman's lounge, new Bear Club reception room) and are on a level with any in the nation.

"And, we have some quality football players . . . maybe not as many as some, but they'll get after you and keep after you.

"One of the biggest assets about spring training was that our young men developed pride. Without pride you cannot have total effort. Without total effort you cannot achieve victory. I don't think we'll have any problem as far as effort is concerned."

The 38-year-old former head coach at McMurry College and Angelo State University surrounded himself with a quality staff and was the surprise of the conference with a successful recruiting campaign.

Optimist that he is, Teaff doesn't predict big things this fall. "I cannot honestly promise you a single victory," he told exes. "But, I can promise you this: This fall we will field a football team that the alumni, the campus, the coaches and the players themselves will be proud of."

It's a whole (and wholesome) new ball game at Baylor University.

COACH GRANT TEAFF LOOKS AT THE BEARS . . .

QUARTERBACKS:

Baylor University is in a unique situation quarterbackwise. We have three at this time: Randy Cavender, Neal Jeffrey, Robert Armstrong. All three have shown promise of being quality college quarterbacks. Much will depend on their early season reaction to the very tough schedule that we are faced with. Jeffrey was the starter at the end of the spring, but with strong competition coming from both Cavender and Armstrong. The alignment could change at any time.

TAILBACKS:

Godfrey White, before an injury in the spring, seemed to our staff to be a quality running back. He is being pushed by two young players, Billy Wilson, who has run 9.5 in the 100, and Marcus Rogers, who has the capacity to be a great running back. The addition of Ray Harper and Gary Lacy, two junior college products, will give depth and experience to the tailbacks.

FULLBACKS:

The fullback is a position that appeared weak at the end of spring practice, with possible help coming from Gene Wilson or Wayne Prescher. Wilson is an outstanding blocker but is relatively small. Wayne Prescher is an outstanding runner, and if he improves in other areas he could be the fullback Baylor coaches are looking for.

WINGBACK:

When we started spring practice, we moved a young man to wingback position who did not play a down of offense his freshman year, but at this point looks as though he has the size, speed and technical skills to be an outstanding college football player. His name is Brian Kilgore. Bob Weygandt, a converted quarterback who was on the second team this spring, will be behind Kilgore.

RECEIVERS:

Charles Dancer, transfer from the junior college ranks, presents a threat to the defense in that he has 4.5 speed on the 40, and has fine hands. He is backed up by three of our young receivers. All three will make a contribution. They are Lloyd Kitchens, Jeff Haas and Karl Ray. Two men appear to be head and shoulders above the rest in the race for the tight end position—they are Ken Townsend and Rusty Bundy.

OFFENSIVE LINE:

David Walters, Larry Denton, Cary Dorman and Harold Rodgers are young and relatively inexperienced. They will be challenged by junior college transfers, Phil Perry, Mike Harper, Doug Dillard and Ken Young.

DEFENSIVE END:

Roger Goree will play both defensive end and linebacker. Mike Black, who has the height and range and improves with every workout, will play the other end. These two men are backed by Dale Lechler and Steve Watson.

DEFENSIVE BACKS:

Ira Dean and Tommy Stewart both appear to be outstanding at their position on the secondary. Ricky Duff, Dwayne Trammell and Tommy Turnipseede rounded out the top secondary positions on the campus at the end of the spring. Junior college transfers, Bruce Neely, Keith Stone and Don Drake will figure in the picture by the opening ball game.

DEFENSIVE LINE:

Richard Mason had a good spring at noseguard and tackle. If Millard Neely can play as well as the Baylor coaching staff believes he can play, he will figure in at noseguard, allowing Mason to play tackle. Coy Zunker and Joe Johnson will be two that are worth watching. Joe Johnson can be one of the top defensive sophomore linemen in the league.

LINEBACKERS:

Ed Taylor and Paul Savage came on strong in the spring with increased speed and mobility. They will be backed by junior college transfers, Harry Pfeffer and Ronnie Martin. Freshmen could figure into this position as backup people.

PROBLEM AREAS:

The biggest problem seems to lie in two areas—lack of experience in the offensive line and overall depth.

PLUS FACTOR:

Great progress was made in the area of team unity, player attitude and the development of the offense. The challenge of an outstanding schedule looms in front of the young Baylor Bears, but they, like the coaching staff, look forward to it.

GRANT TEAFF

HEAD FOOTBALL COACH

Dynamic Grant Teaff is a football coach by profession, a Christian by choice and a man who had revamped two sagging football fortunes before accepting the biggest challenge of his career . . . that of rebuilding Baylor's gridiron image.

The 38-year-old apostle of the power of positive thinking took over the helm at the Baptist school in what has been described as an act of providence. Another man had accepted the position on December 16, 1971 following the termination of Bill Beall's contract and then backed down.

Teaff was named head coach on December 23 and immediately set forth to name a staff and get recruiters on the road. He accumulated a group of experienced mentors

from the Texas high school ranks, brought two longtime Angelo State University assistants, hired a top ex-pro quarterback, and kept three Baylor assistants.

And, when the smoke from the torrid Southwest Conference recruiting campaign had ended, Baylor came up with all "Number Ones" for the first time in modern history and 14 of the best junior college players in the south.

Doing the unexpected is Grant Teaff's trademark. At 25 he was the youngest head coach in the nation at McMurry College, his alma mater. When he left to become recruiting coordinator and end coach at Texas Tech, McMurry was nobody's pushover. After a three-year tenure at Lubbock, Teaff was chosen to rejuvenate the program at Angelo State University where he had played when it was known as San Angelo College. He immediately came up with two 6-4 seasons and capped it off with a 7-3 (including an upset win over defending national champion Texas A&I) when Baylor called.

Grant Teaff has excited Baylor supporters in a manner unknown in recent years. Some 12,000 fans turned up for the spring training game, a new record, and he and Athletic Director Patterson took the reins for the installation of AstroTurf on the stadium floor.

In the first four months of Teaff's tenure he traveled some 27,000 miles, spoke "eyeball to eyeball" to some 29,000 persons in 115 appearances, not counting radio, television and newspaper interviews. He was in pulpits throughout the south as a Baptist lay minister . . . he spoke to grade school groups . . . Baylor social clubs . . . wherever he could further the cause of Baylor University.

"I feel a tremendous love for Baylor University. Being Baptist, Baylor was always foremost in my mind, and I just hope that I can contribute something to the entire university, not just the football program.

"Baylor University is a great university. It has great tradition. It is unique unto itself. There is no reason in the world Baylor University cannot compete on the gridiron just as it does in the academic world. That will be our goal."

And, in typical Grant Teaff style, Teaff told supporters early in the year: "I honestly can't promise you a single victory this fall. I can promise you this, that Baylor University will field a football team that the alumni, the students, the coaches and the players themselves will be proud of. When we accomplish this, the won and lost record will take care of itself."

Teaff was an outstanding athlete at Snyder High School, being awarded the Carl Herod trophy his senior year. He played two years of junior college ball at San Angelo College, then was an All-Texas Conference linebacker-tackle at McMurry. Upon graduation he was assistant coach at Tom S. Lubbock High in Lubbock one season, then returned to his alma mater as assistant football coach and head track coach.

Teaff is married to former Texas Tech cheerleader Donell Phillips of Plainview. The couple has three daughters, Tammy 14, Tracy 10, and Layne 6.

JACK PATTERSON

Athletic Director

If they judged a man by his deeds, and not talk, Baylor Athletic Director Jack Patterson would be 10 feet tall.

The quiet, but personable athletic administrator has been at Baylor since January, 1971 and the new look in facilities and policies of the athletic department show the Patterson touch—first class all the way.

Patterson replaced an institution as athletic director at Baylor—the veteran Bill Henderson—after once serving the school seven seasons as track coach. He won three Southwest Conference championships for the Green and Gold, then moved to Austin where he repeated the feat at the University of Texas and served as assistant athletic director.

When the Baylor opportunity opened up, Patterson was the No. 1 choice, and he came back “home.”

New and improved office facilities, new and improved athletic dining facilities, AstroTurf . . . all of these things can be attributed to the administration’s plan to revitalize the athletic image under Patterson.

“Coach Pat” graduated from Rice in 1939 and began an illustrious coaching career in his home town of Merkel in West Texas. He moved to San Angelo for three years during which the school won the state championship in football. He then returned to Merkel as coach of all sports in 1944 and one year later went to the University of Houston where he had a successful 11-year tenure as track coach and football aide. His sprint relay teams won national acclaim and in 1956 he was called to Baylor to head up the track program.

During his first Waco stay Patterson’s teams established 38 school records and captured three SWC crowns. He moved to Texas in 1963 and won his first title there in 1966. He closed out his coaching career with back-to-back championships in 1968 and 1969.

“I don’t guess I’ll ever get completely away from the field,” Patterson said when he accepted the athletic director’s position. “But, I can still glory in the work that my associates are doing and hope that by working together we can restore the Green and Gold to its rightful place in the athletic world.”

In a short time Patterson has made great strides. But, to those who have known him for any length of time, this was no surprise. He’s always been a champion.

Patterson is married to the former Lois Whitley and points with pride at his two children, Mrs. David Sibley of Dallas and Dr. Jack C. Patterson, a dentist stationed with the Air Force at Langley AFB, Va. . . . and a young grandson, Jack C. Patterson III.

PAT CULPEPPER

Defensive Coordinator

One of the holdovers from the former coach Bill Beall's staff who established a fine reputation with the Green and Gold defense the past three seasons. A former All-America linebacker at the University of Texas, Culpepper came to Baylor from Colorado where he assisted Eddie Crowder, and Tulane where he was an aide on Jim Pittman's staff. Pat has turned out top defensive performers, David Jones who was Sports Illustrated magazine's defensive player of the week for his performance against Texas in 1970 and Roger Goree,

defensive end who was voted the defensive player of the year last season by other players in the Dallas Times-Herald poll. Married to the former Martha Commagere, he has a daughter Connie, 3, and a son, John Patrick III, born March 24, 1972. Recruits in Houston area.

FRANCIS (COTTON) DAVIDSON

Quarterbacks, Receivers

Teaff brought in one of Baylor and pro football's all-time quarterback greats in Davidson, who declined an offer to coach the offensive backs with the Oakland Raiders to return to his alma mater. The 40-year-old Gatesville native was an all-state quarterback who was redshirted at Baylor in 1950, then was a defensive starter in 1951. The next two years he was the starting quarterback, completing 127 of 312 passes for 1871 yards and 11 touchdowns. He was co-captain of the West team in the Shrine East-West classic and played in

the College All-Star game. He was the number one draft choice of the Baltimore Colts and started three games as a rookie in 1957 as alternate behind Johnny Unitas. He went to the Canadian league and played one year before injuring a shoulder and in 1959 came to Baylor where he helped John Bridgers install the Colt offense. In 1960 he joined the Dallas Texans and made the all-star team and was voted the all-star game's most valuable player. He went to Oakland in 1962 and made the 1963 all-star team. He remained active until reinjuring his shoulder in 1966 and finished out his career as player coach and scout. He is married to Baylor-ex Carolyn Mabry. The couple has two sons, Tommy, 15, and Ty, 8, and two daughters, Kelly, 14, and Tracy, 11. Recruits in Central Texas area.

BILL HICKS

Defensive Line

Former Baylor All-Conference center and academic All-America Bill Hicks was one of three hold-overs on the Baylor staff. A former all-state center at Little Rock, Arkansas, he received his degree from Baylor in 1962 after playing well enough to make the "All 60's" team at Baylor. He was graduate assistant at Baylor from 1962-64, then served as assistant at Texas A&I in 1964 and 1965. He joined Coach Jim Carlen at West Virginia where he stayed until he was brought back to his alma mater by Bill Beall in 1969. He is married to

the former Iris Neill of Midland. The couple has four children, Janie 7, Doug 5, Wendy 2 and Clint, born April 14, 1972. Recruits in Central-South Texas area.

GEORGE KIRK

Offensive Coordinator

If you want to judge a coach, look at his record, and the former Amarillo Palo Duro head man is no exception. As a head coach Kirk had a 67-27-5 record at Cameron, Littlefield and Palo Duro. Kirk, 41, is a native of Littlefield. He spent one year at New Mexico Western, then transferred to McMurry where he played center-linebacker in 1951. He spent the next four years in the Air Force and received his degree from TCU in 1956. He later got his M.A. from Baylor in 1960. He was assistant coach at Fort Worth Diamond

Hill in 1956, then moved to Temple as assistant to Jay Fikes. He was named head coach at Cameron in 1963 and posted a 22-8-3 record there. In 1966 he went home as head coach at Littlefield and had a 9-2 record and a bi-district championship. In 1967 he went to Palo Duro. Kirk is married to Baylor-ex Barbara Stephens of Slaton. The couple has one daughter, Renee, a junior at Baylor. Recruits in Panhandle.

BILL LANE

Offensive Line

Another former Texas high school coaching star was added to the Baylor staff when Bill Lane followed his old boss from Angelo State University. The 38-year-old Denison native coached Daingerfield to the State Class AA championship in 1968 and had worked with Teaff for all three years at ASU. A former all-district lineman at Denison, Lane played two years at San Angelo College then went to Stephen F. Austin where he picked up two letters. He was assistant at Daingerfield seven years and was head coach five

years, compiling a 37-5 record his last three years on the job. He is married to the former Barbara Stanfield of Tyler and the father of two sons, Kirk 14, and Kyle 8. Recruits in Dallas-East Texas area.

BILL SCOGGINS

Freshman Coach

Grant Teaff didn't let Bill Scoggins enjoy his State Class A co-championship at Sonora very long. He lured the 43-year-old Ballinger native to his staff in a hurry after taking over, and found that he not only got a top coach, but a hustling recruiter as well. Scoggins played high school ball at Ballinger under Pooch Wright, then was an All-America center at Howard Payne College in 1946. He began his coaching career at Ballinger as junior high mentor in 1951 and 1952, then was elevated to varsity line coach two years. He

was made head coach in 1955 and won district. He quit coaching 18 months and worked as a land scout, but returned as head coach at Comanche in 1957 and 1958. He was line coach at Gatesville the next two years and joined Emory Bellard's San Angelo High staff where he was line coach seven years. He was later line coach at Burnet. Married to the former Beth Grigsby of Comanche, Scoggins has two sons, Mike 18 and David 10. Recruits in West Texas.

MICKEY SULLIVAN

Recruiting Coordinator

One of the most popular decisions Grant Teaff made as he completed his staff was the retaining of Mickey Sullivan, a former Baylor baseball All-America and football great who had served Bill Beall as freshman coach for three years. Sullivan was a top running back on the 1951 Orange Bowl team, and compiled an illustrious high school coaching career before coming back to Baylor. He was assistant coach at Houston Bellaire in 1960 and 1961 and at Houston Westbury from 1962 to 1965 before getting the head coaching job at Bellaire. He won three consecutive district titles and compiled a 41-12-1 record before returning to Baylor in 1969. Married to the former Marilyn Green, Mickey is the father of two children, Vince 12 and Tina 11.

WADE TURNER

Defensive Secondary

Former Angelo State University defensive coordinator Wade Turner was one of the first selections on Grant Teaff's Baylor staff. Teaff said that he and Turner had coached together a long time and shared the same coaching philosophy. A former all-district running back at Brady High, Turner played three years at San Angelo College, making all-conference in 1955. He transferred to Stephen F. Austin where he lettered two years and got both his bachelor's and master's degrees in 1959. He immediately joined the Angelo State University staff as football assistant and head baseball and track coach. He and Teaff joined forces in 1969 and his defensive units led the conference in rushing defense in 1970 and ranked second in 1971. Turner and his wife Madonna are parents of two children, Kimberly 10 and Allison 7. Recruits in Gulf Coast-South Texas area.

BILL YUNG

Offensive Line

Former TCU line great Bill Yung came to Baylor from Grand Prairie where he wound up a high school coaching career with a won-loss record of 48-20-4. A former Ranger High all-district tackle, Yung was a red-shirt at TCU in 1952. He lettered the next three years at guard and was a member of the 1956 Cotton Bowl team. In 1956 he served as associate freshman coach at TCU, then was line coach under Chuck Curtis from 1964 through 1967 when the team won one state championship. He was head coach at Grand Prairie

in 1968 and in 1969 won district. He had formerly been coach at Coleman in 1960, winning the regional championship. He was also player-coach at Fort Sill while in the service. Married to the former Esther Peters, Yung is the father of two children, Martin 12 and Cindy 10. Recruits in Dallas-Fort Worth area.

JOHN BARNETT

Head Trainer

In athletic training circles, those who have served under the fabled Frank Medina at the University of Texas have the Good Housekeeping seal of approval, and Baylor's trainer, John Barnett is one of those.

The quiet, Lampasas native who joined the staff in the middle of spring training in 1970, started wrapping ankles as student trainer at Lampasas High where he worked four years. He was student trainer for four years at Howard Payne College where he received his B.S. degree in 1965 and earned his master's degree from Southwest Texas State in 1967.

Barnett worked for Medina as an assistant trainer in 1967-68 and then was chosen head trainer at Austin's McCallum High School where he was one season. He returned as a full-time assistant at the University of Texas before being called to Baylor when David Huffstetler left for the head job at the University of South Carolina.

Barnett is married to the former Shirley Ann James and the father of Christi Ann, who was born January 22, 1971.

DON OLIVER

Sports Information Director

In his second stint as SID at his alma mater, Don Oliver rejoined the athletic staff on Jan. 1, 1970 following long service as sports writer and editor on several Texas daily newspapers.

Oliver previously served on the Baylor staff as sports information director from 1947-50 and was assistant in 1946.

Oliver has worked as sports writer-editor on the Corpus Christi Caller-Times, Temple Telegram, Lubbock Avalanche-Journal and Abilene Reporter-News. He also was on the pro golf circuit as editor of Golf World magazine in 1958-59 and immediately prior to rejoining the Baylor staff, was night editor of The Abilene Reporter-News.

Oliver is married to the former Margaret Hering of Waco. The couple has two children, Mrs. Clark King of College Station and Mark, 13, who will serve as a runner in the press box this fall. Not to be overlooked is grandson, Rusty King, whose father is a graduate assistant in the chemistry department at Texas A&M.

M. A. (CATFISH) SMITH

Promotion Director

M. A. (Catfish) Smith, who heads up the Baylor Bear Club Booster organization and is promotion man for the entire athletic department, is a man of a million stories, some of them true.

The personable, pencil-thin former Texas coaching great, is in his third year in this capacity at Baylor after having previously served as freshman coach for nine seasons.

Catfish really needs no introduction to Texas sports fans. He was a legend as a high school mentor at Carey, Borger, Longview and Mt. Vernon and posted a 30-2 record at East Texas State College.

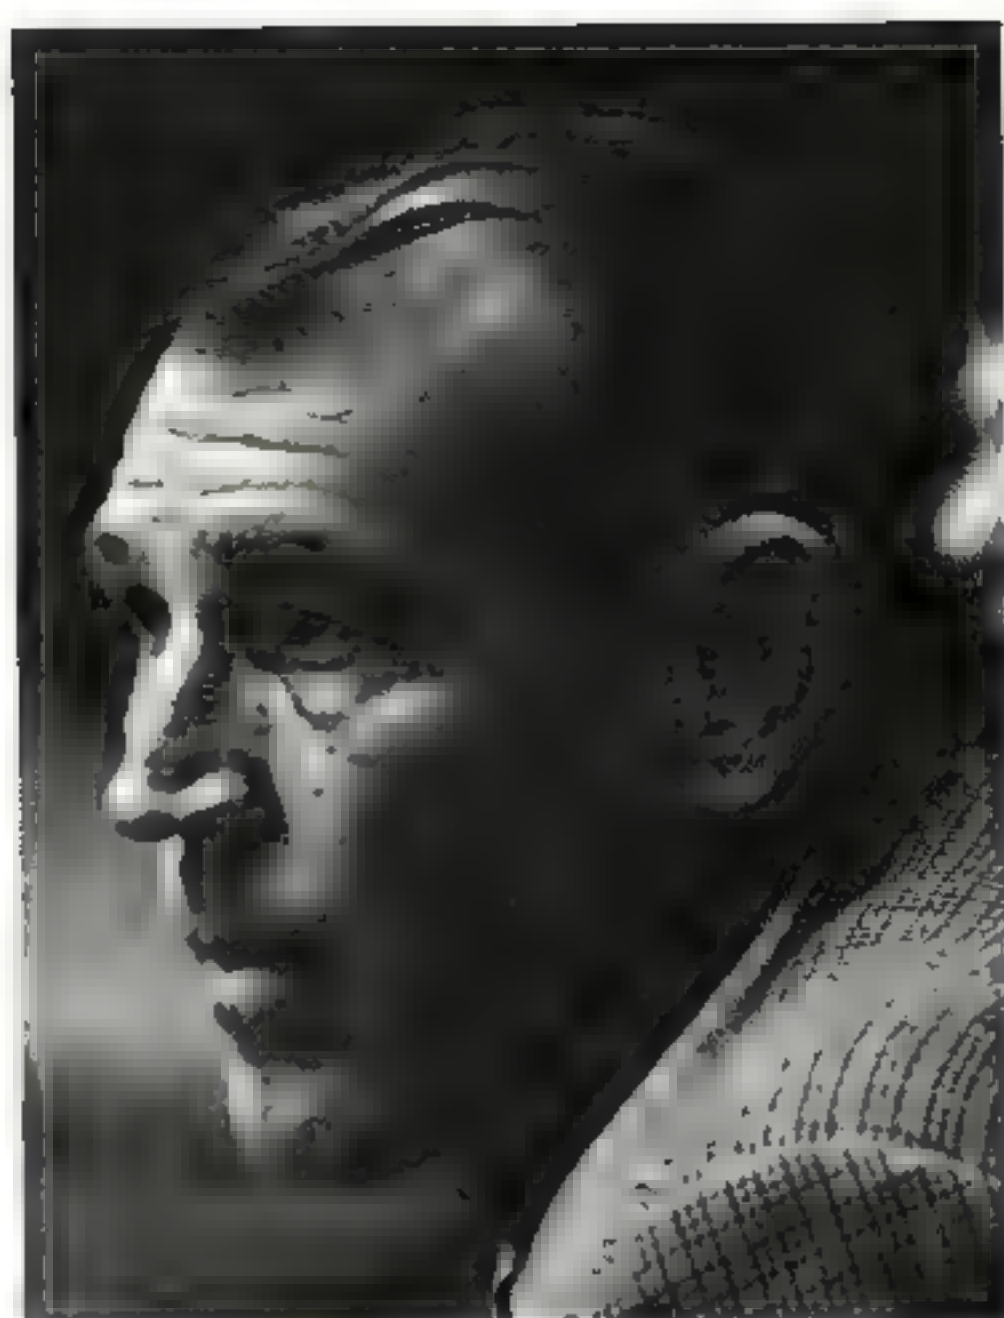

At Mt. Vernon, where Don Meredith was one of his students, Catfish won six district titles in seven years and posted 26 straight wins over a three-year period. At Carey his basketball team won the state championship and Catfish is one of the few men who ever went UNDEFEATED in an entire high school basketball season, achieving this feat at Mt. Vernon in 1948 as they won the state title. In 1947 his Mt. Vernon football team was also undefeated.

Smith is a past president of the Texas High School Coaches Association and was honored as coach of the year in 1953 by the Texas Sports Writers Association.

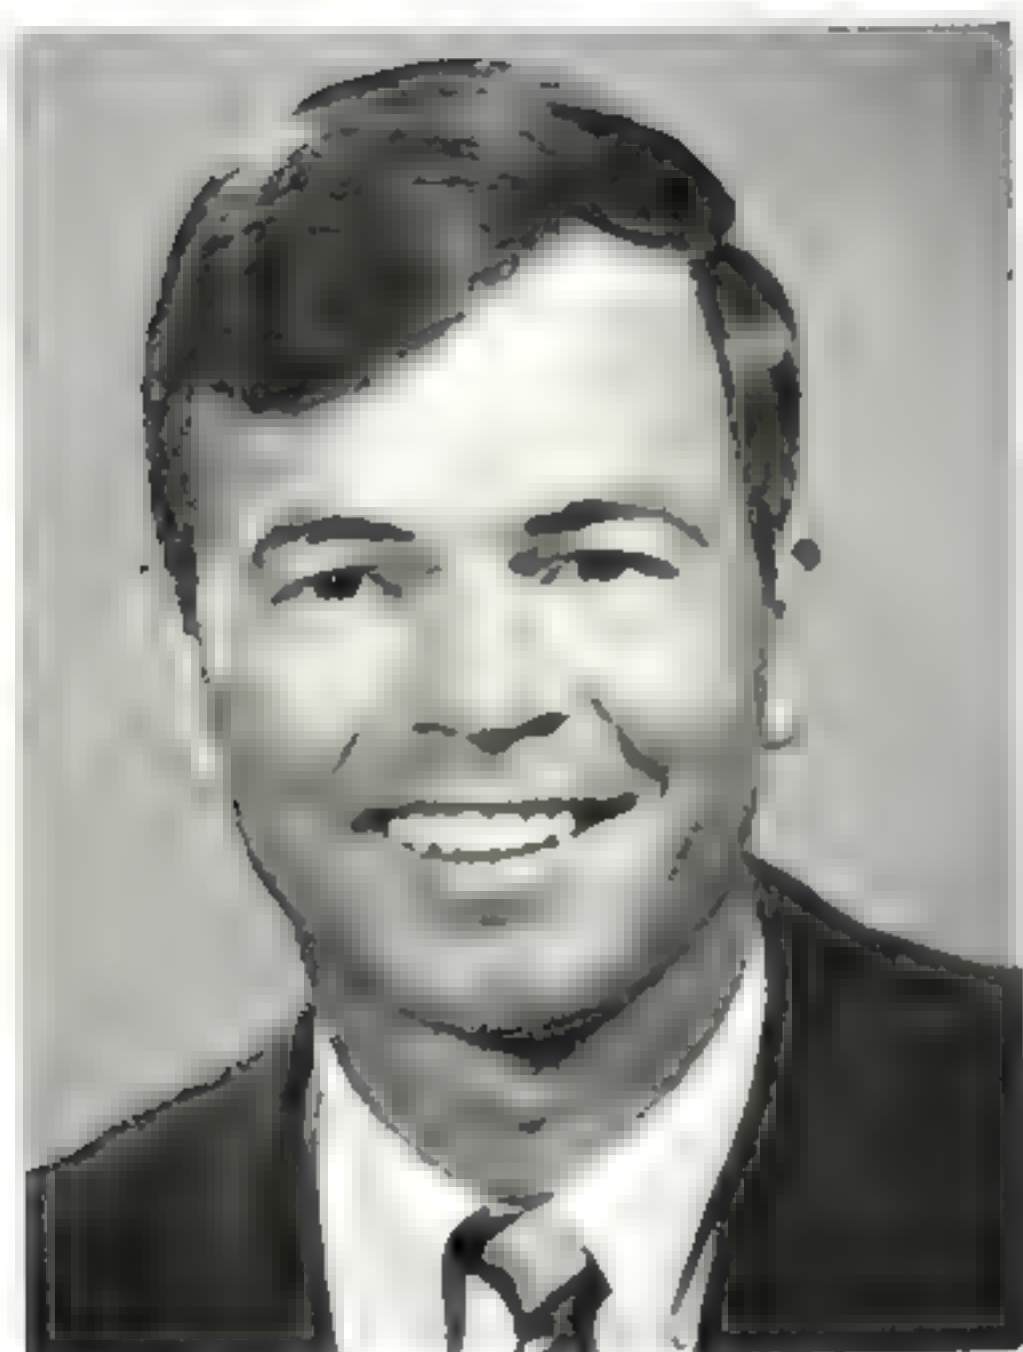

Cat and his wife, Dot, are parents of two sons, Ronnie, 24, and Jimmy, 20, a Baylor junior.

BAND, GOLDEN GIRLS ON ROAD

Adding entertainment and beauty to all Baylor road games this fall will be the high-stepping Baylor Golden Wave Band and its bevy of beauties, the Golden Girls.

Gene Smith's strutters will perform at the halftime of the Baylor-Arkansas game at Fayetteville Oct. 14, at the TCU game in Fort Worth on Nov. 4 and at the SMU game in Dallas Nov. 25. In addition the band will be featured at North Side High School in Fort Smith, Ark., the Friday night preceding the Arkansas contest.

Featured twirlers will be Melinda Walker of Fort Worth and Debbie Reynolds of Fairfield. Head majorette is Sara Sharp from Magnolia, Ark., and drum majors are David Rayburn of Hobbs, N.M. and Susan Coleman of Monahans.

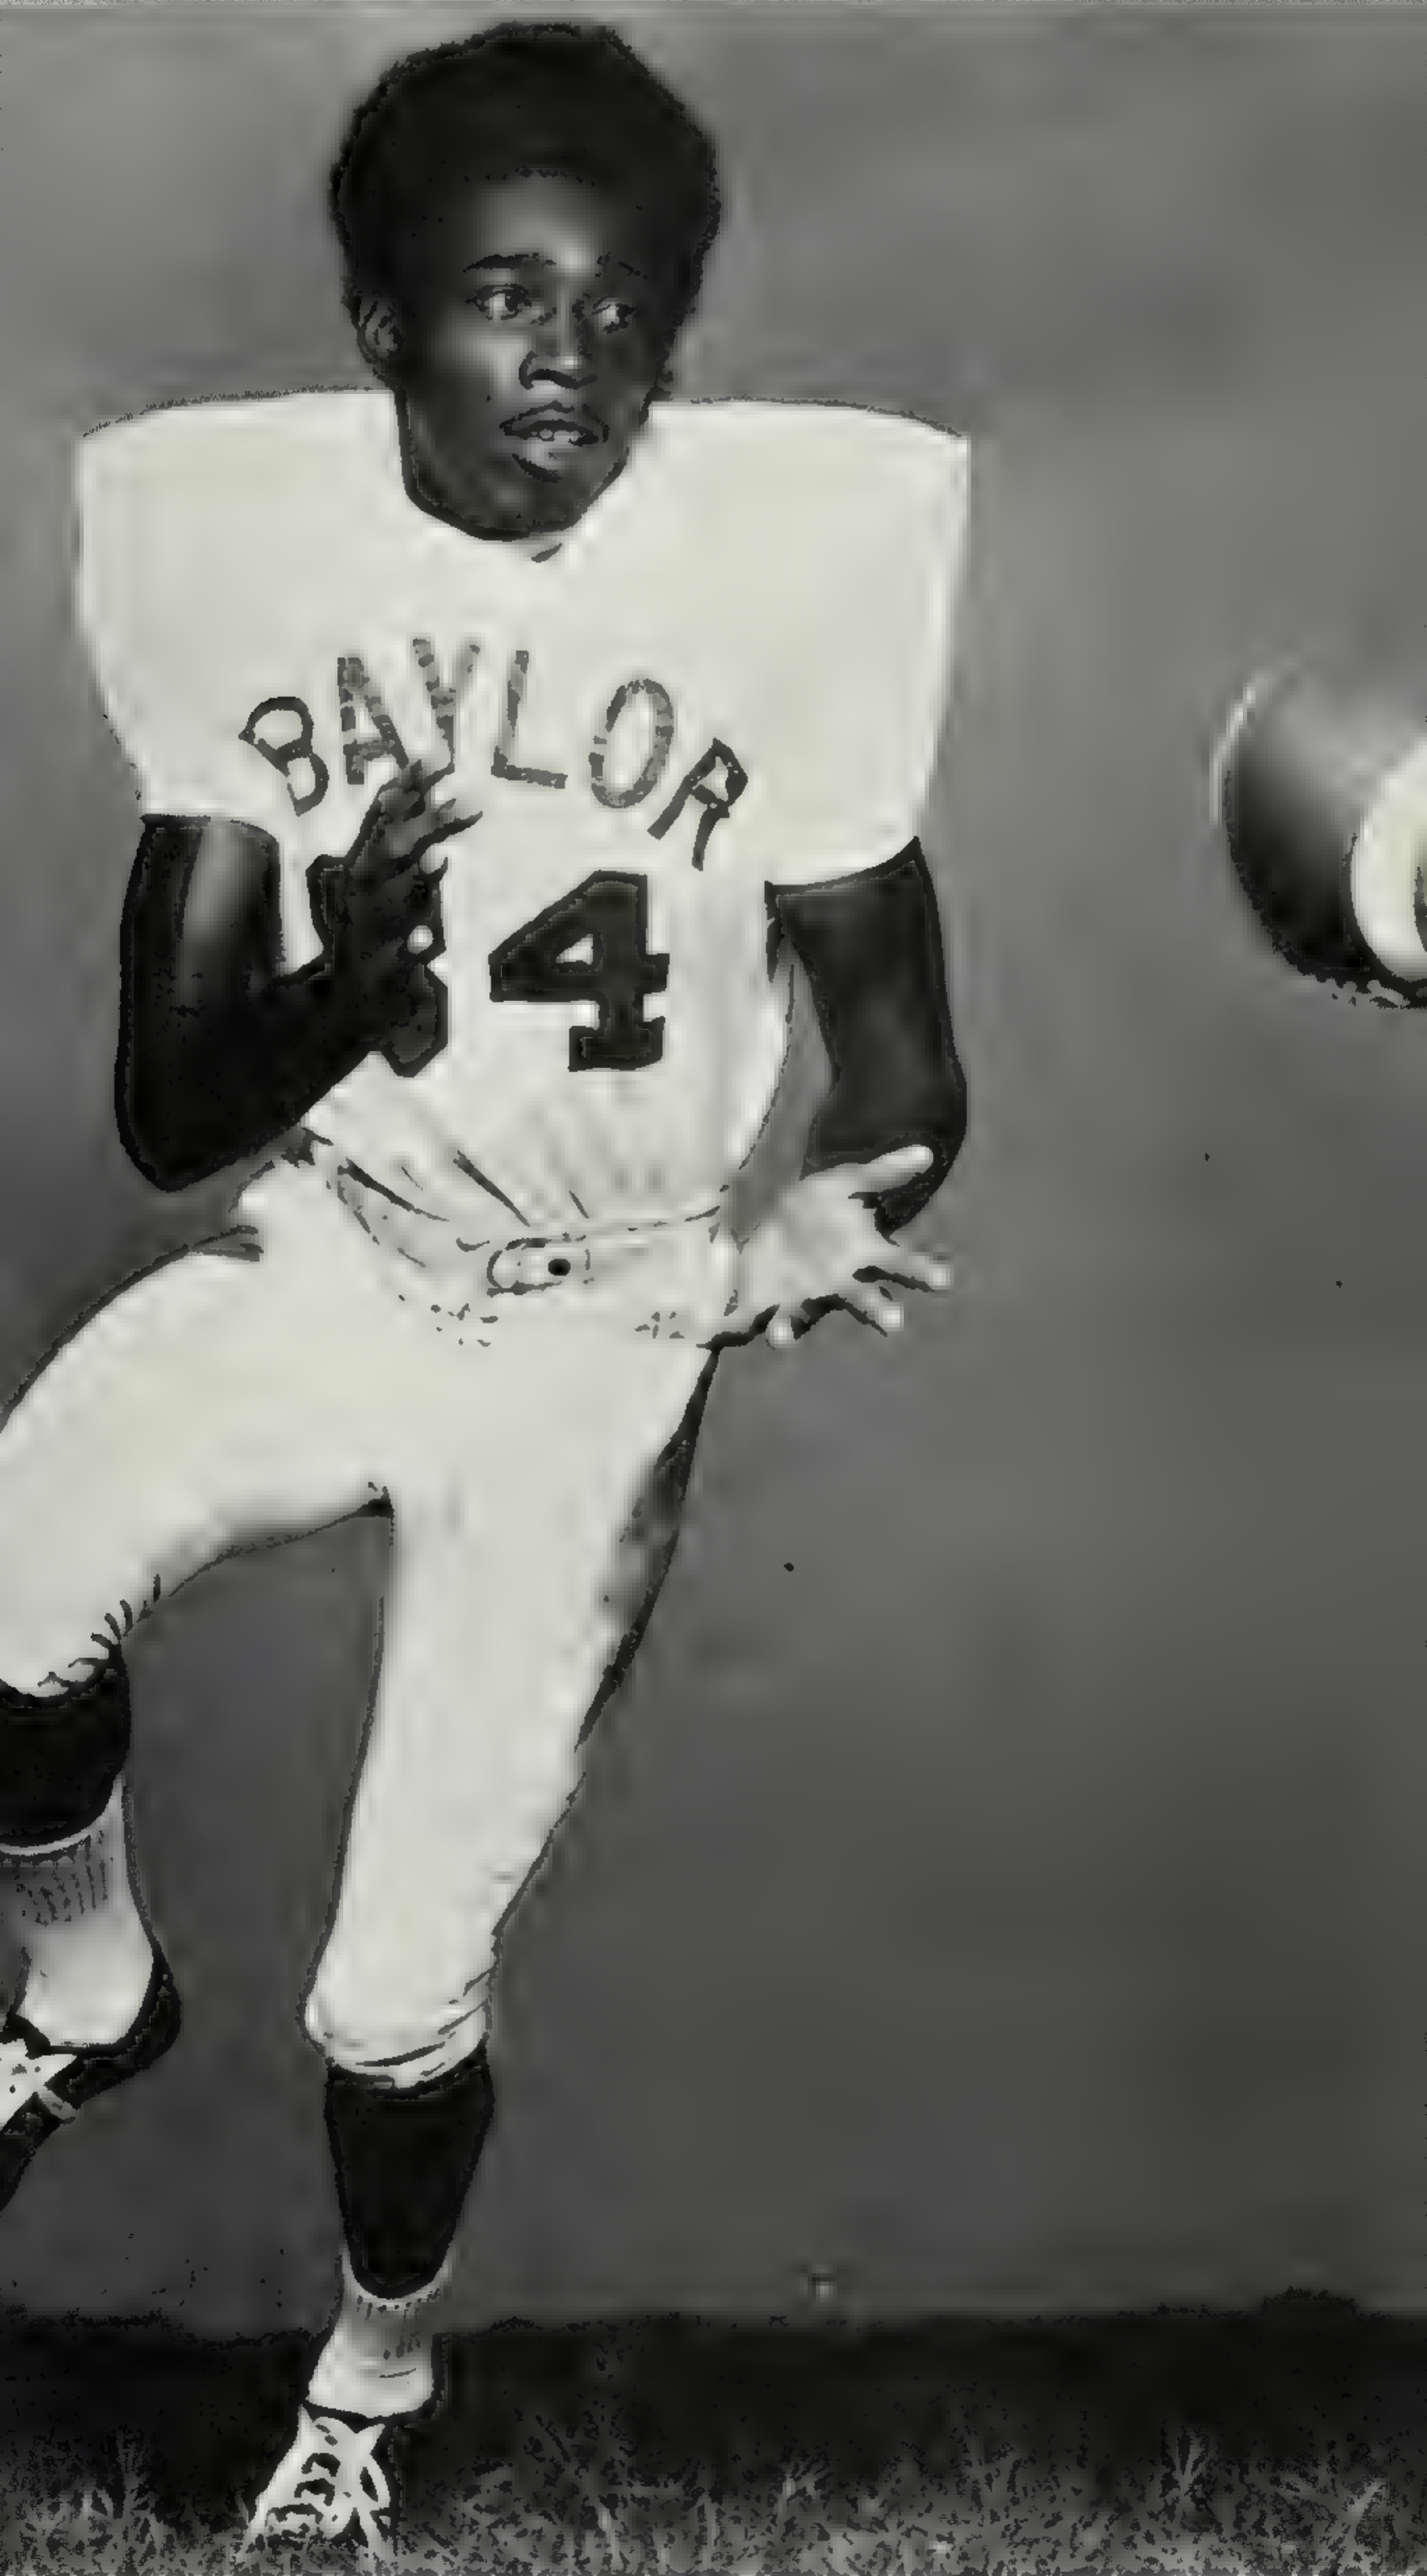

Golden Girls are Sara Sewall of Crockett, Karen Croucher of Houston, Ann Hilton of Saginaw, Frances Yelderman of Needville, Jeanette Davidson of Gatesville, Patsy Elster of Damon and Suzanne Gandy of Ben Wheeler.

CHEERING 'EM ON

Leading yells both at home and on the road this year will be six elected yell leaders. They are Penny Flowers of Marshall, Gayle Beverly of Tucson, Ariz., and Dema Scott of Odessa, Dan Carroll of Kingston, Jamaica, David Stricklin of Cleburne and Jim Mitchell of Biloxi, Miss.
